## 9-11, Lies, Deception, Heading To a Police State

0

The above seismic record details the events of 9-11. Notice the enormous spike on both events. This spike is not caused by the collapse, but explosive! The thick dark area is the actual collapse. These are not just my opinions.

Van Romero vice president of New Mexico Institute of Mining & Technology shares my opinion. “ My opinion, is based on the videotapes, that after the airplanes hit the WTC there were some explosives devices inside the building that caused the towers to collapse” said Romero.

Mr. Romero is an explosives expert and former director of Energetic Materials Research and Testing Ctr. at New Mexico Tech. They teach the experts, firemen, police, and first responders about explosives.

I came to the same conclusions a day before Mr. Romero. I knew when building seven collapsed. I could not believe my eyes! I watched the video of building seven again. There it was, controlled demolition and nothing less. I can prove it and so can you. I'll show you what to look for. Before I do I tell you how I knew.

I was involved with explosives manufacturing. I also was involved with professional commercial fireworks displays for seven years. I've had explosives training, and studied demolition for a short while in hopes of working in controlled demolition of buildings.

When you watch your video of the collapse of the towers you will need to watch for a couple of things. At the start of the collapse, look just below the area collapsing, you will see small white puffs of smoke moving rapidly blowing out the windows. This is explosive debris. If you watch carefully you will see that happen three or four times 5 or 10 floors below the section about to collapse. Next time you get a chance to watch a controlled implosion of a building, watch for these markers. (See below)

You say why would the want to blow up the WTC? Follow the money.

Osama Bin Laden was a CIA asset in the Regan/Bush era. He was a “freedom fighter” in Afghanistan against Russia. He and the Taliban were CIA creations. Not unlike Saddam Hussein, who was a CIA assassin in 1949. It was his job it to kill the ruler of Iran although he failed miserably. He still would stay in the good graces of the CIA, to later be leader of Iraq.

Osama Bin Laden's father, Sheik Bin Laden, was involved with George Herbert Walker Bush in oil. Oddly enough he died in a plane crash in Texas in 1968, prior to visiting the Bushes. The Bin Laden family was also involved as the principal stockholders of the Carlyle Group and Bush Sr. was on the board of directors. The Bin Laden family was not strangers to hob-knobbing with the Bush's either. Sheik Salem Bin Laden (Osama's brother) oddly enough also died in an airplane crash in Texas in 1988 just after a visit.

Dick Cheney sat on the Afghanistan Oil Reserve Control Board. Two years prior

the Taliban met with officials who promised them “ a carpet of gold” if they allowed them to put a pipeline through Afghanistan from SE Asia to Russia and a “carpet of bombs” if they did not. They continued to meet with the Taliban, the last meeting in Washington only 2 months prior to 9-11, the Taliban still refused.

Colin Powell laid plans for the war in Afghanistan MONTH prior to 9-11. The order for war was on President Bush’s desk two days prior to 9-11.

The company Mr. Cheney was CEO of, Halliburton got the pipeline contracts in Afghanistan. I would be willing to lay 20 to 1 odds, the bombing runs in Afghanistan cleared the route for that pipeline, if I were a betting man.

Another point I’d like to make here is that Osama Bin Laden was on the most wanted list of terrorists for a number of years before 9-11. Wanted for two truck bombings and the bombing of the USS Cole killing US Service men. Oddly enough he was in a US Hospital bed in Dubai with failing kidneys. The only visitors he had in his suite of rooms were, his family and the station chief of the CIA. If that had been you or I, we would have either been dead or handcuffed, chained, bound and gagged to the bed. (Source French daily Le Figaro Oct.31, 2001)

Osama left the hospital on July 14, 2001 with two portable dialysis machines, and I tell you right now he is not in any cave unless it is wired with 110/ 220 volt or he’s dragging an awfully big generator through the mountains of Afghanistan. Osama was eligible for execution by intelligence findings issued by Clinton in 2000.

It is worthwhile to mention that the Bin Laden family in the US, were given safe passage with high security only a few days after 9-11.

As we ponder the motives of this heinous crime it might be well noted in the

1993 bombing, there was government PARTICIPATION in it too.

The New York Times carried a story during the trial of those “responsible” for the 1993 bombing.

The article brought out the fact that there was an FBI informant in the middle of, the terrorist group plotting the bombing. The informant suggested according to the trial transcripts, that they use inert powders instead of explosives. His FBI handlers were noted as refusing as the terrorists might figure out the explosives weren’t real. Consequently the FBI provided real explosives for the crime! Shades of Oklahoma City!

In the trial of both Terry Nichols & Lee Harvey McVeigh, I mean, Timothy the judge repeatedly refused to allow any evidence that incriminated anyone but these two men in the bombing.

Enter, Carey James Gagen giving sworn testimony before a second grand jury convened by the people of Oklahoma because the persecutors, I mean prosecutors, refused to.

In his sworn deposition and testimony Mr. Gagen brought forth paperwork from the Justice Department giving him 15 months immunity from prosecution. He was in the middle of the ARAB group that placed explosives inside the building. Gagen warned his handlers two weeks before the bombing of what was about to happen. None of them did anything! They refused to bring him in to reveal the plot. They refused to listen. BOOM!

Immediately after the bombing the US district attorney revoked his immunity from prosecution, and issued a SHOOT ON SITE ORDER for Mr. Gagen. If it had not been for Oklahoma State Senator Keys, Mr. Gagen would have been dead. Mr. Keys worked tirelessly to bring forth the truth in the OK City bombing.

The grand jury heard the evidence of the Arab connection. The explosives wired to columns as witnessed by two women that worked in the building. They described C-4 plastic explosives and what they thought to be telephone wire (det. cord) being strung between columns. Mr. Gagen named names and provided photos of the Arabs that did this. The state refused to charge anyone other than the two patsies that they chose. Mohammed Atta who piloted one of the planes into the twin towers, was also involved in Oklahoma City bombing.

The original bombing in 1993 of the WTC had another ominous connection to 9-11. Following the trail of the terrorists to the Philippines in 1995 the FBI found on their computers the plans for their "Project Bojinka". It was a plan to hijack planes loaded with fuel and crash them into buildings in Manhattan & Washington D.C. The FBI knew two year ahead of the plan for 9-11.

Then there is Operation Northwoods. Northwoods was a CIA plan to hijack US plane and blow them up. To set out sniper teams in Florida and Washington D.C. to bring a "body count" the people would be horrified by, in order to give a reason to start a war with Cuba. This plan was approved all the way up to the President, but President Kennedy was so horrified by the plan he was ready to throw the CIA to the four winds. The Vice President, Joint Chiefs of Staff, CIA had ALL approved of this plan!

Ten days before his assassination JFK gave a speech at Columbia University. He wanted to disband the CIA & Federal Reserve and had \$50 MILLION printed in non-interest bearing US Notes. In the speech he stated; "The high office of President has been used to format a plot to destroy the American's freedom, and before I leave office I must inform the citizen of his plight."

It is also worthwhile to note here that on the day Kennedy was shot, George H.W. Bush was in charge of covert operations for the CIA.

German intelligence, the BND, warned the CIA in June 2001 and Israel that Middle Eastern terrorists are "planning to hijack commercial aircraft to use as weapons to attack important symbols of American and Israeli culture." (Source: Frankfurter Allgemeine Zeitung, Sept. 14, 2001) Of course no one ever knew anything of what was going to happen on 9-11. To say so must mean you don't love your country. Garbage! Let truth rule.

Russian intelligence notifies the CIA during this summer that 25 terrorist pilots have been specifically training for missions involving hijacked airliners. This is reported in the Russian press and was translated by a retired CIA officer. (Source: Izvestia, Sept. 12, 2001)

The Honolulu Control Facility National Air Traffic Controllers Assoc. on June 23 issued warning memos of Osama Bin Laden plan to carry out "Project Bojinka" high-jacking planes and crashing them into American landmarks.

The President, was told of the second plane hitting the WTC, while hearing a story of a goat for the school children he was visiting. He later stated he had ALREADY seen the first plane hit the building on TV before reading to the children. Hmm... what was he watching closed circuit TV, the video of the first plane hitting the WTC didn't surface until the next day. Then he just sat there and listened to the story about the goat! What brass! Why didn't he put the country on alert and leave IMMEDIATELY? Isn't that the normal thing for the president to do when he KNOWS that we have been attacked ?

Now because of the heinous actions of all those involved we have the USA

Patriot Act better known by it's true name "Uniting and Strengthening America by Providing Appropriate Tools Required to Intercept and Obstruct Terrorism," & the Homeland Security Act. Along with the "Domestic Security Enhancement Act of 2003 aka Patriot Act II, our Constitution has been effectively destroyed. Our God given Rights to freedom flushed down the toilet.

The President, the Attorney General, & Secretary of Defense of the US have the power to label any group a terrorist group. If you contribute to, help in any way, wink at one of these groups you are to be considered a terrorist. If you are thought to be willing to resist arrest on such charges or stand to defend your Rights, you are considered an "Enemy Combatant." In which case you may be arrested without warrant. You may be snatched off the street, and held indefinitely with NO Constitutional Rights, no access to attorney, no notification of anyone of your whereabouts, until the "War On Terrorism" is OVER. Hitler would be proud! Attorney General Ashcroft spoke quite eloquently of his new powers to put Americans in concentration camps here. So much so professor of constitutional law at George Washington University, Jonathan Turley wrote an article in the Wed. August 14 LA Times entitled; "**Camps for Citizens: Ashcroft's Hellish Vision** Attorney general shows himself as a menace to liberty"

My friends this is just the tip of the iceberg. The Word says:

Rev 18:2 And he cried with a strong voice, saying, Great Babylon has fallen, has fallen, and has become the habitation of demons, and a hold of every unclean spirit, and a hold of every unclean and hated bird;

Rev 18:3 because all the nations have drunk of the wine of the fury of her fornication; and the kings of the earth have committed fornication with her, and

the merchants of the earth have been enriched through the might of her luxury.

Rev 18:4 And I heard another voice out of the heaven saying, Come out of her, my people, that ye have not fellowship in her sins, and that ye do not receive of her plagues:

Rev 18:5 for her sins have been heaped on one another up to the heaven, and God has remembered her unrighteousness.

My friends in Yahshua Messiah, Jesus, & our Heavenly Father has taken his protective hand from this country because we have turned our back on Him. We have allowed the government to take His law out of our land and we have done nothing. We stood by and allowed his Commandments to be taken from our schools and did nothing. We stood by and watched as Roe vs. Wade allowed the murder of 1.3 MILLION children per year since its inception, over 50 million to date and did nothing. Allowing our sons and daughters to be sacrificed on these BAAL alters. The most abortion occur between Friday afternoon and Saturday evening, the Sabbath, desecrating God's holy day.

We allow our sons to be sacrificed to the gods of war for the bankers profit and say we love our country while waving our little flags made in China.

Not following His laws, committing adultery, fornication, in thoughts of free love and freedom of body. We as a nation ignore His Sabbath, refusing to keep it holy. We watch XXX movies and allow all forms of pornography in the name of free speech. We watch as the TV hosts more shows proclaiming the perversion of homosexuality as a normal lifestyle. Our

ministers are gagged from speaking against the perversion and idolatry in fear of loosing their 501(c)3 tax exempt status and play the whore for the collection plate.

Is there any wonder our Heavenly Father has turned his back on us a nation because we continue in this idolatry? We have forgotten He is supposed to be FIRST in our lives.

I see God Bless America stickers on cars in support of the US since 9-11, although God FORGIVE America would be more appropriate.

My heart cries for those that lost loved ones on 9-11. I feel great sorrow for the loss of lives resulting from that ominous day, here and overseas in Afghanistan & Iraq. How many men, women & children, have died senseless, brutal death, to put a pipeline through Afghanistan. How many are dying even now in Iraq, who never had anything to do with any of it. Where will it end.

I would have you note the highlighted areas of explosive debris from the charges in this picture (above).

I am sorry this publication can't do real justice to the above pictures. The charges are much more noticeable on a TV or computer screen. One more, notice blast of explosive debris blowing out windows (below).

I would like to say that I love my country but wicked & powerful people with no accountability are in controlling positions.

We are seeing prophecy fulfilled a little more each day. The world controlling Babylonian money system of the powers in New York are going see their Babylonian system destroyed, as mentioned in the scriptures above. I do not know the day or the time, but the season draws near for their destruction.

The New World Order spoken of by former President George H.W. Bush 210 times in speeches is rising to fruition. A police state here will signal the beginning of the end.

But hope is not lost. Remember we were told: Luke 21:36 Watch therefore, praying at every season, that ye may be accounted worthy to escape all these things which are about to come to pass, and to stand before the Son of man.

2 Chronicles 7:14 says: If my people, who are called by my name, shall humble themselves, and pray, and seek my face, and turn from their wicked ways; then will I hear from heaven, and will forgive their sin, and will heal their land.

For many years I was involved with patriotic Christians in hopes of changing our country through the Constitutional process. I now realize that can not happen.

The powers that be have infiltrated our government long ago. They staged nothing less than a coup-d'etat in

assassinating our President to take control from the hands of the people. They listen little to our cry for justice, nor listen to those wishing to keep God's law as rule in our country.

In fact the Congress on October 4, 1982 declared the Bible "THE WORD OF GOD" Public Law 97-280 the 97<sup>th</sup> Congress 96 SAT.1211 and now our leaders have thrown out the Ten Commandments of "THE WORD OF GOD"! Can you expect our covenant keeping God to not chastise His people for not keeping His law?

**Dan 12:7** And I heard the man clothed in linen, who *was* upon the waters of the river, when he held up his right hand and his left hand to heaven, and swore by him that liveth for ever, that *it shall be* for a time, times, and a half; and when he shall have accomplished to scatter the power of the holy people, all these things shall be finished.

The holy people their power scattered, why? Chastisement. Realizing the prophecies of the last days are soon to be upon US. The last beast of Revelation is rising to empower a world government, short lived though it may be. It will happen! We can't stop it. Our Heavenly Father's Word will be fulfilled. Yes, this means a great tribulation shall soon be upon US. The death and destruction of war, here. We must be prepared. **Rev 13:7** And it was given to him to make war with the saints, and to overcome them: and power was given him over all kindreds, and languages, and nations." The joy is, it means the government of Yahshua Messiah, Jesus, will replace it, soon!

Sure Satan is having his way NOW, but he knows his time is short. He will continue to set up his false kingdom to entrap us all, but he will not win, his

kingdom shall be destroyed.

The worse it gets, the sooner we know, our Savior Yahshua Messiah, Jesus, will return to set up his eternal kingdom!

Don't take my word for it. Read it for yourself in Gods Word, the Bible.

God isn't sitting up there watching you to see what you did wrong so he can get you for it. That is satan's role. Our Heavenly Father wants you in His kingdom, after all He gave His only Son, so you could be. Do you think he wants you to waste that precious gift?

No matter how bad you think you are, or what you have done, our Heavenly Father will forgive you. If you ask for forgiveness in the name of His Son, Yahshua Messiah, most know as Jesus, if you have a contrite heart you are forgiven! It is that simple.

Pray, read your Bible, turn away from your sinful past out of love for the great gift you have received in salvation.

Don't let this world, satan, or his minions get you down! They will try, and the closer you get, the harder they will try. Their time is short. Yours doesn't have to be! No man or woman is perfect and until our Savior returns us to his kingdom no one will be. If you fall, don't worry get up, ask forgiveness, and give thanks for forgiveness. That it! Rejoice!
